

## Super Mutts

fragile planet fragile heart  
balance together balance apart  
precious complex wonderment  
maze of yourself myself masses  
**Super Mutts** come save the day!

**Super Mutts** come save the day?

my child  
sow your heart in the earth  
share your tears with the ocean  
free your breath with the wind  
dance your hopes in the heavens

embrace me  
your fragile planet
